It was voted that in the future the president will have the authority to hire and dismiss the executive secretary, subject to the approval of the board.

Plans were made to start the annual membership this week, with O. R. Bleech, membership chairman, to work with Mrs. Peoples in the mailing of the membership dues.

It's a runoff between State Rep. Doyle Conner and W. R. (Buster) Hancock for state commissioner of agriculture.

Mr. and Mrs. R. S. Douthitt plan to visit her brother-in-law and sister, Mr. and Mrs. O. L. Coulter, in Orlando this weekend.

## Record Vote Sees Chief Guthrie Win

Out of a total of 1,389 registered voters, 1,060 voted Tuesday, believed to be an all-time high for a Pahokee election.

With three candidates for mayor the vote was divided so as to force the only run-off, next Tuesday, between the incumbent, E. S. Parrish and his chief opponent Duncan Padgett, whom he trailed.

In the municipal voting on a proposal to establish a city manager form of government, the measure was defeated by a vote of 178 to 133.

This was its third defeat in the last several years. The smallness of the vote on the issue indicated that most voters may have overlooked it. The proposal was on the top row at the left of the long ballot.

For mayor, Duncan Padgett with 437 led the three candidates, including Mayor F. S. (Dick) Parrish who received 389, and Carmen Salvatore, 183. The vote forced a run-off between Padgett and Parrish, next Tuesday.

Chief of Police Leon Guthrie was re-elected with a vote of 524, defeating Charles Dickson, with 328; R. D. Sappington, 162 and Maurice Sullivan, 7 votes.

Unopposed City Clerk Patricia (Patsy) Batchelor received 762 votes.

Councilmen, Group 1: Joe Thompson defeated Councilman Charles Brown by 732 to 221. Group 2: Councilman C. R. Wetherington, unopposed received 692 votes. Group 3: Elmer B. Elliott, Jr., defeated Owen Todd, by a vote of 491 to 433. Councilman B. R. Mosley did not run for re-election.

## Canal Point Lions Name New Leaders

### English Garden Party A Success

The lawn of Mrs. Harold Wilkinson's home was the scene Saturday of an English Garden Party given by the three chapters of Beta Sigma Phi as a setting for the Founder's Day program, with members of members attending as guests. Arrangements for the occasion were made by Mrs. Joe Hatton, Jr., and her committee.

In the receiving line were Mrs. J. T. Boynton, general chairman, Mrs. George H. Tucker, Jr., Mrs. Milton Salvatore and Mrs. Lois White, chapter vice presidents. The tea tables were decorated with lovely mixed garden flowers on cutwork tablecloths. Delicious refreshments were served by Mrs. Wilma Alley and her committee.

Mrs. Ellis Wilkinson was in charge of the program. Piano music throughout the program was played by Mrs. M. P. Stanley, with Mrs. Don Zaccagnino presenting appropriate songs, honoring the mothers and "Girls" of the Year. Mrs. Ralph Johnson, assisted by the chapter vice presidents, recognized the mothers attending and presented each with a yellow

rose, the sorority flower. Other guests were welcomed nad introduced by Mrs. Ellis Wilkinson, who gave special recognition to Beta Sigma Phi's International Honorary Member, Mrs. Ruth Wedgworth of Belle Glade, mother of Mrs. Boynton.

Following the reports of the year's activities by Mrs. William S. Plumer, president of Xi Alpha Mu Chapter, Mrs. John Hatton, president of Xi Beta Tau Chapter, and Mrs. Richard C. Lane, president of Beta Omicron Chapter, Mark Aldridge and John Phillips served as heralds in the announcing of the Girls of the Year, with Sylvia Parrish assisting in the fanfare with her cornet.

Honored as Sorority Girls of the Year were Mrs. Milton Salvatore, crowned by Mrs. John Hatton in the absence of Mrs. W. K. Aldridge, last year's girl of the year; and Mrs. J. T. Boynton, who was crowned by Mrs. D. W. Cunningham, last year's girl of the year.

### Insecticides May Kill Speckled Perch

Fishermen angling for speckled perch in the waters of the West Palm Beach Canal at Canal Point were astounded on Wednesday morning of last week to see scores of the fish they were trying so hard to catch float to the surface in a dying condition.

Last fall thousands of game fish died in this same canal under similar circumstances, that is, following heavy rains at which time the locks at the hurricane gate are closed and farm pumps, operating on a 24-hour schedule, pour countless thousands of gallons of surplus water into the canal from the fields of growing vegetables.

It is believed by many that the chemicals used by the farmers in growing the crops and controlling plant diseases and insects leaches through the soil during heavy rains and is present in the drainage water as it is pumped into the canal in sufficient concentration to poison the fish.

Last fall when so many fish were dying under practically the same conditions, the opening of the hurricane gates to a slight degree, allowing fresh water from Lake Okeechobee to pour into the canal seemed to correct the condition that caused the fish to die.

### 6th Graders Visit USSC Sugar Mill

The children of Mrs. Mildred Larrick's Sixth Grade Room at the Canal Point School enjoyed a field trip to the Clewiston area where they visited the USSC sugar mill, Thompson's Wild Animal Farm, the Sugarland cattle Ranch, the Clewiston Syrup Mill and the Shell Emporium. They were accompanied on the trip by Mrs. Larrick and Mrs. Winnie Plank of Lake Harbor.

### Col. Altman Speaks On Civil Defense

Introduced by Mrs. Friend, the speaker explained some of the courses of action civilians should take in cases of emergency. He said a free course in Civil Defense is available to groups such as Woman's Clubs if certain requirements are met.

Mayor F. S. (Dick) Parrish of Pahokee, also a guest, told what the City of Pahokee is doing in Civil Defense work and what services are available in emergencies. It was announced Mrs. Friend would be installing officer at the installation luncheon of the Belle Glade Woman's Club on Wednesday of this week and members of the Pahokee Club would be guests. Mrs. Leon Wroten and Mrs. John Padgett were given special recognition at the meeting for having perfect attendance records.

Make your dream house come true! It's easy  
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a home or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After this, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative continuously when held to maturity

—the few dollars saved from your pay each week soon grow into big down payment amounts. For instance, if you save \$10 a week, in just five years you'll have \$26,000 cash. In 9 years, 8 months, you'll have \$57,007.00!

So don't let down payments get you down. Meet your needs far more easily with the way money grows in the Payroll Savings Plan. Or, if you're self-employed, turn to Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest to grow even faster, ask your bank about Series E Bonds, which pay dividends monthly by Treasury check.

## Election Night For Boy Scouts

Friday night was election night at Boy Scout Hut for the job of Scribe and Librarian. Eugene Cooper and Harry Cunningham had both worked hard providing their merits as each had acted as Scribe for a week and now was the night for the secret ballot vote. After they were all counted, Eugene Cooper was elected Scribe and Harry Cunningham Librarian. I am sure that we have two capable boys for both jobs and that they both will do good work during the coming term.

Saturday at 1:30 P. M. approximately twenty boys left for Fish Eating Creek with Scoutmasters Mims and Carver for a weekend of camping. The boys reported the fishing was good and even tho' they had two flat tires they all had a good time.

During the past week two boys from troop 628 were admitted to Everglades Memorial Hospital. Jimmy Tyson had an accident at school and Donald Meredith was hurt with a tractor. Jimmy has been discharged from the hospital and is convalescing at home but Donald is still a patient in the hospital. The troop wishes both boys a speedy recovery.

## Christian Science Group Of Canal Point

Ability to resist and overcome temptation is available to all mankind today. This is the theme of the Lesson-Sermon entitled "Adam and mastered temptation will be heard Sunday at Christian Science services.

The stirring account in Matthew (Ch. 4) of how Christ Jesus met and mastered temptation will be featured in the Bible readings.

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this (393:12): "Rise in the strength of Spirit to resist all that is unlike good. God has made man capable of this, and nothing can vitiate the ability and power divinely bestowed on man."

The Golden Text is from Matthew (26:41): "Watch and pray, that ye enter not into temptation."

## Cafeteria Workers Hold Local Meeting

The Palm Beach County School Food Service Association held its annual installation luncheon at the Canal Point School cafeteria Saturday with 150 members attending.

Mrs. Lucille Clewis of West Palm Beach was installed president; Mrs. Anna Himes, West Palm Beach, vice president; Mrs. Flora Cole, Lake Worth, secretary; and Mrs. Doris Brinkley, Belle Glade, treasurer. Mrs. Ralph C. Stanley, manager of the Pahokee School cafeteria, was installing officer.

Plans were made for the Palm Beach County unit to be in charge of the serving of the food at the banquet at the convention of the Florida School Food Service Association to be held at Hollywood Beach, May 13-15.

Guest speaker was Mrs. Frances H. Caudle of Fort Lauderdale, Broward County School lunch supervisor. Mrs. Margaret Birdsong of West Palm Beach, retiring president, presided.

Mr. and Mrs. P. E. Williamson had as a guest this week Miss Jackie Lewit of Chicago, Ill.

## Methodist Women Hear Rev. C. S. Hall

The Rev. Clare S. Hall was guest speaker at the May meeting of the Pahokee Methodist Woman's Society of Christian Service held at the church with the president, Mrs. Duncan Padgett, presiding. Introduced by Mrs. Alice Spooner, he spoke on "Use of Leisure Time." Mrs. Spooner gave the devotional. It was announced the five circles will meet jointly at the church Monday night, May 16, for the annual reshuffling of circle membership, following which a reception will be held honoring new WCSS members.

Plans were made for the annual installation of officers and pledge service on June 6.

The Gertrude Shirley Circle, Mrs. L. L. Shirley, chairman, was in charge of program arrangements and was awarded the attendance pin for the month.

## Local PTA Heads Installed Monday

New officers of the Canal Point Parent-Teacher Association were inducted at the May meeting held in the school auditorium Monday night, with Mrs. Janice Pate, president of the Palm Beach County PTA County Council, serving as installing officer.

The new officers include, Mrs. Joe Cherry, Jr., who was re-elected president; Mrs. W. E. McCall, first vice president; Mrs. R. L. Gray, second vice president; Mrs. Marvin Miller, secretary; Mrs. J. M. Gibson, treasurer, and Mrs. R. L. Holt, historian. Each of the officers and Mrs. Pate received a potted African violet, gifts from PTA. Mrs. Cherry received a special gift in appreciation of her work as president during the past year, with Mrs. A. R. Harrington, past president, making the presentation on behalf of PTA.

Accepting the recommendation of the executive board, the group voted to approve the raising of the annual dues to the PTA County Council from \$10 to \$15 a year; also, to hold the first meeting after the opening of school next fall on Thursday night, Sept. 8, this meeting to be concluded with a reception for the teachers of the Canal Point School.

The monthly attendance award was won by Mrs. Alma Burr's first Grade room.

The importance of child welfare in PTA work was stressed by Mrs. Pate in her address to the members. "Every PTA member should be interested in the welfare of every child that attends school," she said.

Working on a County level, PTA, she pointed out, helped to get the present school lunch room program started, worked for the establishment of proper detention places for juvenile delinquents and has supported all movements leading to improvements in child training.

Mrs. Billie Huddle, fourth grade teacher, was chairman of the faculty committee in charge of the serving of refreshments following the meeting.

## SUFFERS FLESH WOUND

Donald Meredith, 10-year-old son of Mr. and Mrs. Loren Meredith, suffered a deep flesh wound on his thigh when caught unexpectedly between two tractors. The accident occurred after one tractor was used to tow another in an attempt to get a balky motor started. When Donald removed the tow pin, the two tractors eased together, trapping the youth between them. Luckily, no bones were broken.

## Parents Night For Scout Troop

The regular Boy Scout Meeting was held Friday night at the hut. Final plans were made for parents night, which will be held at Boy Scout Beach on Tuesday night May 2 at 7:30 p. m. All parents and friends are urged to attend.

There will be a camping trip to Fish Eating Creek this week-end. All scouts are urged to go. Remember boys for our troop to qualify for the National Camping Award at least 50 per cent of the troop must spend at least ten days and nights of Scout camping during a twelve month period.

A district council meeting was held on Monday night at the Scout hut at 8:00 p. m. Mr. Luce, Scout Executive from Gulf Stream Council was present with representatives from the troops of Clewiston, Belle Glade, Pahokee, and Okeechobee.

Have you tried to buy a five cent ice cream cone lately? In fact have you tried to buy anything for five cents lately? You can buy a ten cent ice cream cone and a fifteen cent one and even in some places a twenty-five cent one, but you still don't get much more than the "old double dipper."

Things cost more, from books to battleships, pencils to planes, rubber bands to rockets. The dollar just doesn't buy as much as it used to, or putting it another way, it takes more dollars to buy the same

amount of things.

Boy Scouting's fiftieth anniversary dollar doesn't buy what it used to either.

More Scouting dollars in your council territory guarantee an expansion quantity and quality in the program. They buy more training, more Boy Scouts, more Sea Scouts, more Explorer Scouts, more leadership and more citizenship.

Most of you liberally support your favorite charities. Most of you are inclined to support even more liberally those worthwhile agencies that deal with the physically and mentally handicapped, or those agencies that deal with our health and welfare.

It is our wish that in addition to these needed charities, you will invest more Scouting dollars in your council program which takes healthy minds and healthy bodies and develops them into a generation of leaders nad citizens who can and will ensure a future for the indigent and physically and mentally handicapped in the years ahead.

More Scouting dollars in your council is one of the ways to ensure and expanding quality Scout program for the boys of today and tomorrow.

Do you know a better investment than in Youth? So when you are approached within the next two weeks for a donation for Scouting won't you give and give generously.

*Uncle Sam made the bonds you own  
an even better bargain!*

# Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25¢ a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,860.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid  
your interest as current income—  
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$10,000.

## ALEX WINS AGAIN

ALEX ARNETTE

The second largest vote rolled up by any candidate in Tuesday's Democratic Primary in Palm Beach County was the 23,695 polled by J. Alex Arnette, clerk of circuit court.

Arnette has been clerk of circuit court since Jan. 8, 1941, and is a veteran campaigner who relies to a large extent on a handshake and a sincere request for a vote.

His opponent, Horace Miller, is a member of the West Palm Beach City Commission, and is employed by an abstract and title company, a job which keeps him much of the time in Arnette's office.

## Rotarians Plan To Attend Meeting

Pahokee Rotarians at a board of directors meeting followed last week's Thursday luncheon made tentative plans to attend the Rotary International Convention at Miami Beach May 30-June 2. It is expected 20 members of the Pahokee Club will attend the model Rotary luncheon at the convention, eight having already registered for this event.

Guest speaker was the Rev. Robert A. Shelley, pastor of the Canal Point Methodist Church, who told the Rotarians that every man should from time to time in the hustle and bustle of everyday living pause long enough to take spiritual inventory and answer to the satisfaction of his inner conscience three questions asked by God in the Garden of Eden, "Where Art Thou?", "What Hast Thou Done?" and "Where is Thy Brother?" He was introduced by B. A. Belcher, program chairman.

Dr. and Mrs. Gordon Schuettler, former Pahokee residents now living in Okechobee, visited Mr. and Mrs. George Ramey here Sunday, Mrs. Ramey being at patient at the Everglades Memorial Hospital at that time.

## Ned Hardwick In Supervisor Run-off

One of the closest of the county races Tuesday was for county solicitor. Incumbent Joel T. Daves III, won with a 2,497 margin over John Hiatt.

Paul T. Douglas of Lake Worth led the voting in the race for the Democratic nomination for County Judge in Tuesday's primary election. However, he will oppose John E. Born in a run-off election in three weeks.

John L. Remsen, garnered 24,082 votes over Alton Williams', 6,669 tallies for a seat on the School Board.

## Bill Moss To Be Installed PTA Head

W. O. (Bill) Moss, who was re-elected for a second term of office as president of the Pahokee Parent-Teacher Association, and other newly elected officers will be installed at the May meeting in the high school auditorium Monday night at 8 p. m. Mrs. John Dulaney of Belle Glade, past president, will serve as installing officer. On the program the girls of Mrs. Doris Lane's home economics classes at PHS will act as models in a fashion show, displaying garments they made under Mrs. Lane's instruction. Mrs. N. R.
